Directorate General of Mines Safety

No. DGMS (Tech) Circular No. ¹² of 2020

Dhanbad, dated : 16/07/2020

To,
The Owner, Agent and Manager of all mines.

Sub: Online submission of intimation of accident and notices of accident and dangerous **occurrences** ~~accidents~~ through software module hosted on DGMS web site – Reg.

Sir,

occurrences

This is to inform you all that the software for online intimation of the accident and dangerous ~~accidents~~ by mine management has now been enabled and made operative through the official web site of the Directorate General of Mines Safety. The software can be accessed through the link <https://www.dgms.gov.in> or ~~<http://accident-statics.dgms.gov.in>~~ <http://accident-statistics.dgms.gov.in>

occurrences

dgms.gov.in

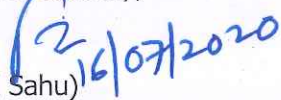

This software module and system has been enabled to make the system of sending the information of the accident and dangerous ~~accidents~~ real time and transparent. First information of reportable, serious & fatal accident and dangerous occurrence; notice of accidents in Form IVA, IVB & IVC or Form 4-A, 4-B & 4-C as the case may be, shall be sent online to this Directorate. Hard copies of the notice of accident may be sent to the other authorities concerned in the prescribed form.

In this regard, you are requested to login to the above said web page through your already existing ID (Login credentials) and unregistered mines shall register for the log in credentials, and start reporting online from 01.08.2020 onwards. The step by step guide may be referred to understand the system of online submission and this can be accessed through the path dgms.gov.in website ⇒ onlinetools ⇒ external login accident management on DGMS website.

occurrences

All mine management are henceforth requested to send intimation of accident and notices of accident and dangerous ~~accidents~~ online through the above system. The jurisdictional regional offices may be contacted for further clarification.

Yours faithfully,

(DK Sahu)

Director General of Mines Safety (Officiating)
